Political Principles to Guide Decision Making

Language, Culture and Identity

Language and culture is integral to maintain our identity as Kanien'kehá:ka. Fostering protection and promotion are of utmost importance, cultural values must be considered moving forward.

Self-Determination and Jurisdiction

As the original people of this land, Kahnawa'kehró:non collectively maintain and assert the authority and responsibility to govern all affairs that occur within our territories.

Self-Sufficiency

Leadership will work toward fostering an economy that will establish individual and collective self-sufficiency and prosperity, breaking the cycle of fiscal dependency.

Holistic Support and Wellbeing

Ensuring that we have all areas of support available to our community members to support and foster their emotional, physical, spiritual, mental health and well-being.

Environmental Stewardship

We have a responsibility as Kanien'kehá:ka to protect and preserve Mother Earth, to the best of our abilities, to ensure that we have a clean and healthy environment for all future generations.

Unification

Our community is most powerful when we are of one mind and we will continue to strive for unifying Kahnawà:ke. Single arrows can only hold so much strength but a bundle of arrows will not be broken; strength is unity.

Responsible Decision Making

When decision making on ALL matters, both internal and external that affect Kahnawà:ke, leadership is responsible to take into account how decisions could affect the next seven generations.

Political Priorities

for the 2024-2027 Term of Office

Utilizing the **Kahnawà:ke Community Vision Statement** as a foundation, and through thorough deliberations, the Ratitsénhaienhs of the Mohawk Council of Kahnawà:ke have established the following Political Priorities for the 2024-2027 Term of Office

Land Back

- SSSL land back

External Government Relations

- Asserting sovereignty and advancing Jurisdiction via External Government Relations (KCR / KQR Relations)

Holistic Wellbeing & Quality of Life of Kahnawa'kehró:non

- Improving access to essential services (ie: Water & Sewer, Housing, Healthcare, Safety/Security, etc)

Financial & Economic Independence

- Increase Revenue Generation
- Investing surplus to address community needs
