The Story TELLER'S VAULT is intended to give budding filmmakers and TV show producers a small grant and the use of equipment (lighting, cameras, microphones, studio, backdrops, green screen, editing) to assist in the development of their TV concept. TV shows pitched in the Teller's Vault only have to be for a TV pilot show that will be 5 minutes in length. Each artist may submit a final TV show that is longer than 5 minutes and that is encouraged. All amounts will be paid directly to the person who pitched the idea and are intended to be used to create the show. Please note that the hiring of actors, camera persons, editors, etc... is acceptable as part of your show costs. Grants of \$1,000 will be the maximum. Pilot TV shows are due 30 days after the awarding of the grant.
