- Bobby Patton reported on the latest Iroquois Caucus meeting in Tyendinaga. With the main issue being the fight against Bill C-10, it was decided the Tobacco Industry would take the lead and the Iroquois Caucus would play more of a supporting role going forward.
- Martin Leborgne reported to the table that he was approached by a community member about creating a Tenant/Landlord agreement template which could be used as a protection for renters and landlords.
- Kahsennenhawe Sky-Deer updated the table on the next steps in the CDMP for amendments to the *Kahnawà:ke Membership Law*. The KLCC is looking to set a date for the first hearing of the second draft of proposed amendments to the law.
