- Mike Delisle: Kahnawake Shakotiaa'takehnhas Community Services board meeting on Monday

Official Agenda Items

Request for Decision, Mohawk Council Executive Directive: Tioweró:ton Policy & Procedure Review

Presence of Tara McComber. Draft policy presented to Chief & Council. Accepted unanimously. Document will be prepared for 30-day Community Consultation. Due to joint ownership of Tiowero:ton with Kanésatake, meetings will need to take place to further develop the document.

Updates and other Discussion Items

- Discussion on upcoming visit by Governor General's Canadian Leadership Conference to take place on June 1
- Rhonda Kirby gave a brief update on the progress of the Kateri Memorial Hospital Center expansion project
- Christine Zachary-Deom updated the table on developments regarding upcoming Champlain Bridge replacement project and the role of the MCK's Consultation Committee in this project, upcoming meetings, etc.
- Lengthy discussion on the events of the past weekend in which a non-Native individual was removed from the Territory, with Peacekeeper Chief Dwayne Zacharie and Director of Justice Services Ron Skye present. Chief & Council agreed to give the issues regarding Membership their top priority and have postponed other meetings throughout this week to strategize. Press release issued on Tuesday to clarify the sequence of events that caused the incidents on Sunday, May 17. Press release issued to inform community of new communications efforts to re-engage community on the issues of membership/residency/public security. Reiteration and reminder in both releases that community conduct itself in respectful and peaceful manner
- Meeting was closed at 12:05pm
