Portfolio Updates for the Month:

December 2024

Infrastructure, Transportation & Operations (ITO) Portfolio:
Due to the holidays, we had one biweekly with Jacques Cartier & Champlain Bridge Incorporated (JCCBI). Green space project, Planit and the working community working group were finalizing the final concept. Due to an overrun on a meeting, I did not attend the lunch hour meeting with the Green Space working group. At the JCCBI meeting we had Discussed the upcoming projects on the Federal portion of the Mercier Bridge. Installation of Saving Lives Signages on the bridge. Discussions with the Capital Unit regarding the Route 207 / 30 interchange rehabilitation project and other planned Infrastructure projects within the community.

Health Portfolio:
Attended the monthly Onkwata'karitáhtshera Table meeting at KSCS. Attended the monthly Board of Directors at the Kateri Memorial Hospital Centre (KMHC). On December 19th along with other Chiefs we made a visit to the long-term residents at KMHC to present them with Christmas gifts, laughter and songs.

Social Supports & Development Portfolio: Attended a meeting with the Housing Unit to discuss Accessible Housing. I am part of the homelessness working group, a joint working group between the MCK and KSCS we had met to discuss the current homelessness situation in our community.

Other activities during the month of December: Participated with the Chiefs Breakfast that was held at the Legion for employees of the MCK. Assisted Cory Rice (Kateri Food Basket) to pick-up food donations at Loyola High School for Kahnawake Christmas Food Basket. Students from Kahnawake organized the food drive at Loyola High School. On December 20th, I attended the signing of the Statement of Understanding and Mutual Respect between the Mohawk Council of Kahnawake and the Province of Quebec. The signatories were Ohén:ton Í:rate ne Ratitsénhaienhs Cody Diabo and the Premier of Québec François Legault. There was a brief meeting prior to the signing with Premier François Legault and the Minister Responsible for Indigenous Affairs, Ian Lafrenière. Due to this signing event, I did not attend the OCC Christmas Luncheon.

Meetings for the Month:

Portfolio Updates for the Month:

December 2024

Attend the Iroquois Caucus and AFN in Ottawa from Dec 2-6. Highlights were meeting with our sister communities at IC and discussing how we can build up the IC as the AFN is venturing into areas it is not supposed to so we need to look out for our own interest. As well meet with Minister of CIRNAC which kicked off the Kahnawake-Canada Relations tables. Push for an official apology from Canada for 1990 among other items, such as commitment to continue working on SSSL Land Grievance. Meet with Shadow Minister Jamie Schmale from the Conservative party. Received commitments to a future meeting with Pierre Poilievre in the New year. Working internally on the “Still Ours Campaign” which is focused on the SSSL. The Launch of this will be early in the new year. KQR – Kahnawake-Quebec Relations working towards the signing of the MOU with Quebec as well to discuss current files that need to be worked on. Litigation on the Magic Palace file in its early examination stages. The big news was the signing of the MOU with Quebec. This was years in the making and to get it over the line I proposed very basic language. Again public commitments to work on the outstanding 211 acre debt form Quebec due to the highway 30 construction. A parcel is being suggested however will need to wait for spring before we can continue the required testing on the lot. Looking for other areas as well in the meantime.

Portfolio Updates for the Month:

December 2024

The legislative portfolio has approved the carry-over of 3 laws from last term on the legislative agenda. This includes the tobacco law, the residency law and the Kahnawà:ke Operational safety and health.

The Legislative Portfolio team is also reviewing and amending the mandate to be brought before Council for approval. We are also reviewing the Kahnawà:ke Legislative Services structure, constitution, and terms of reference .

Chiefs breakfast is an event where the chiefs cook and serve breakfast for all the MCK staff.

Housing Unit requested assistance from port chiefs in dealing with a handicapped community member in need of emergency home repair. Ryan Montour, Arnold Boyer and myself assessed the situation and provided support to help facilitate the progression of the repair work.

MCK and KSCS collaborated to create an emergency shelter to serve community members who may need temporary emergency shelter. After several meetings we were able to locate and secure a facility. This shelter is now available to use should the need arise.

Myself, Ryan Montour and Iohahí:io Delisle have volunteered to be the on-call security for the shelter until a permanent solution is identified.

KMHC Christmas gift presentation was awesome and allowed us to bring some fun to our elders and the hospital what great event for us as well as the residents.

Portfolio Updates for the Month:

December 2024

The month started off with the Council approving the ISC/Kahnawake Child and Family Renovation program. This is the biggest investment for safe and affordable housing and will help numerous community members to build their strong family unit.

Participated in the steering committee with Crown Indigenous relations minister Gary Anandasangaree and the Kahnawake Canada Relations portfolio in Ottawa.

I did not participate in the end of year MCK Friday because I conceded the time slot for the Grand Chief's end of year review.

Under the Justice portfolio, I participated in the eligibility criteria for the selection of Kahnawake Judges in the aspect of regulations. I also participated in the Justice Commission monthly meeting.

Along with numerous other Chiefs, we went visit the patients at the Kateri Memorial Hospital Centre to spread some Holiday cheer.

Under Public Safety, I participated in two brainstorming sessions on solutions for Route 207. The second meeting was regarding non-locals in residential areas. The team consisted of Office of the Council of Chiefs, Public Safety Commissioner, MCK Transport Coordinator. We are in the process of implementing short term measures that will effectively deal with community concerns.

The end of the month concluded with more exciting news from the Housing department. We have raised the On Reserve Loan Guarantee to \$400,000 thru the local Caisse Popular, we also have approved the application for more section 95 Housing for the building of six units (tiny homes/six plex). Also, we have approved the reconciliation task force to deal with the victims of Fraud and Elders to be at the top of the list. There have been up to 500k approvals in write offs that will be applicable.
