Other activities during the month of January: I went for a Ride along with the Peacekeepers. It was a great learning experience, seeing firsthand the daily routine of a Peacekeeper. Coordinated BELL LET'S TALK DAY with the Chiefs, this year's focus is to raise awareness of Youth Mental Health.

January 2025

Numerous Meetings with Quebec Representatives in regards to Northvolt. As this is an active Litigation not much comment can be made here except we did try and have discussions outside the Court process.

The EGR and SSSL teams had many internal meetings to work on messaging and upcoming works for the Land Summit and the “Still Ours” campaign.

Trying to have more regular scheduled meetings with the Executive Director via the Grand Chiefs Office meetings. This was an item that was lacking in the previous term. To ensure cohesion and more effective collaboration it is important for the Political body to have more consistent engagement and dialogue with our employee. The intent is to have these formal meetings every 2 weeks.

Preparations were also being made for the gaming meeting in Calgary around Bill 268.
