Utility line-clearance and pruning vegetation control in Kahnawake community in 2025

MARIE-FRANCE EMARD CONSEILLÈRE RELATIONS AVEC LES PREMIÈRES NATIONS ET LES INUITS

Mission

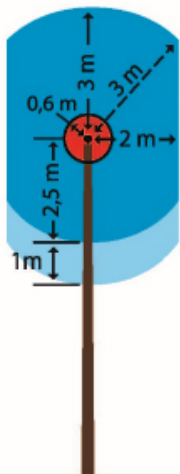

- Guarantee the reliability and quality of electrical service;
- Contain vegetation to ensure integrity of our installations;
- Ensuring public and workers security near power lines

Pruning

Definition: Removing branches from a tree using approved practices to achieve a specified objective. In this case, removal of branches to avoid contact with power lines.

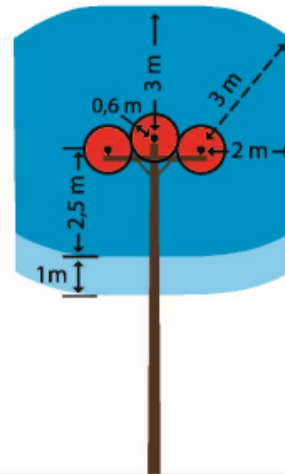

Pruning ornamental tree

Arbre ornamental

- **Zone d'approche**
 Aucun arbre ou partie d'arbre n'est toléré à l'intérieur de cette zone. (c'est-à-dire à moins de 0,6 m des équipements moyenne tension)
- **Zone critique**
 Seuls les arbres ornementaux couverts par une clause d'antériorité dite "grand-père" sont tolérés.
- **Zone de dégagement**
 Les arbres ornementaux sont tolérés ainsi que certains arbres non ornementaux désignés par l'administrateur des travaux comme étant couverts par une clause d'antériorité dite "grand-père".

Arbre ornamental

Ornamental Tree

- **Approach zone**
 No tree or part of a tree is tolerated within this zone (i.e. less than 0.6 m. from medium voltage equipment)
- **Critical zone**
 Only ornamental trees covered by a so-called « grandfather » clause are tolerated.
- **Clearance zone**
 Ornamental trees are tolerated as well as certain non-ornamental trees designated by the works administrator as being covered by a so-called « grandfather » clause.
