Weekend Closures Mercier Bridge

(Kahnawake – 23 Onerahtohkó:wa/May 2025)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec that deck repair work on the Mercier Bridge will take place this weekend from **Saturday, May 24th, 11pm until Monday, May 26th, 5am**. One (1) lane will be available in each direction (counter-flow traffic configuration) on the Kahnawà:ke bound side of the span.

The Airlie entrance from Lasalle towards R-138 West/Kahnawà:ke & the Airlie exit will be open during the bridge work.

Additionally, the Jacques Cartier & Champlain Bridges, Incorporated has advised the MCK that work under the Mercier Bridge will require the closure of the bypass road that links the R-132/R-138 West & R-138/R-132 East service road on **Saturday, May 24th, from 6am until 2pm**. Local residents are being advised to use the tunnel to access R-132 in order to avoid the detour (see map below).

Please drive with caution, slow down when entering construction zones, and respect the Move-Over Law when emergency lights are flashing.
