

Selections for ISC Renovation Grant!

The Housing Unit is pleased to announce that **\$960,000** in total funds were allocated to families who were selected for the ISC Child and Family Services Renovation Program.

The Renovations are free of charge, and will help with bringing the selected houses back-up to a standard of living. The program will continue next year!

To Apply for next year please contact Housing:

450-638-2672

FOREWORD FROM THE EDITOR

With new funding at our disposal we are trying our hardest to get it out to the community as fast as possible! Through the means of the above mentioned renovation program, renovations to the community housing rental units, and the construction of additional community rental projects.

NOTICE TO MCK MORTGAGE HOLDERS

The Housing Unit's Credit Management team requests all MCK mortgage holders to update their contact information by **calling Housing at 450-638-2672**. Many records are outdated, and your cooperation is greatly appreciated.

RENTAL UNITS TO BE CONSTRUCTED

The Housing Unit is pleased to inform the community about the upcoming submission in June of a CMHC Affordable Housing application, which concludes the drawings of **2 new projects** to allow housing options for more than **30 tenants**. The Housing Unit is also in the tendering process for **3 new bungalows**. CMHC Section 95 Project 9 - for a **new six-plex** is set to break ground end of summer!

HOUSING UNIT - NEW HIRES

Brooke Deer
Programs Manager

Overseeing program development and management, Brooke is leading new initiatives that align with the evolving needs of the community. We're excited to see the department grow!

Jorden Diabo
Housing inspector

With the addition of a second Housing Inspector we're able to offer expanded capacity for construction and asset inspections, allowing quicker response times to client needs.
