Mercier Bridge ramp and lane closures

(Kahnawake – 16 Ohiarí:ha/June 2025)

The Mohawk Council of Kahnawà:ke (MCK) has been advised by the Ministère des Transports du Québec (MTQ) that the R-138 East up ramp (from Chateauguay towards Montreal) and the R-138 West down ramp (from Montreal towards Chateauguay) will be closed tonight **Monday, June 16, 2025**, from **10pm to 5am**.

The ramp closures are required for the dismantlement work on the overhead sign at the base of the ramps on R-138. A detour will be in place, please see maps below.

Additionally, the MTQ will be inspecting the right lane on the Kahnawà:ke-bound Mercier Bridge, between LaSalle and the first superstructure, tonight from **10pm to 5am**.

Please drive with caution, slow down when entering construction zones, and respect the Move-Over Law when emergency lights are flashing.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression.
