Portfolio Updates for the Month:

June 2025

NOTE: There were meetings scheduled and attended during the week of June 23-June 27 but they were not provided at the Monday June 23rd Council meeting as I was off for wellness that day they are therefore not reflected in the listing. I attended the following meetings that week:

- Governance Advisory Team meeting to facilitate the review of the governance documents for the Council of Chiefs
- Meeting at Justice Services to review the draft application form for Judges
- Participated in an interview for a project on Peacekeeping, Justice and Law in Kahnawake

Justice: Consequential amendments to various laws were enacted (necessary for the implementation of the *Kahnawake Justice Act*). Updated draft mandate for the Justice Sectoral Table was completed and sent for review. Draft application form for Kahnawake Judges being developed. Community Justice Center project planning and preparation continue regarding funding of the building and land designation.

Governance: Legal Services (LS) completed the review of the Draft *Code of Conduct for the Ratitsénhaïenhs* Governance Advisory Team (GAT) to discuss LS comments and schedule dates for special kiosks. The GAT began the revision of the "Terms of Reference for the Ratsénhaïenhs/latsénhaïenhs"

Cannabis file: Discussions continued from previous month regarding opposition and concerns with a regulated cannabis industry. Developmental work was stalled as a moratorium on the sale of retail cannabis was issued and members of the Cannabis Control Board did not seek re-appointment or resigned.
