## Overnight lane and ramp closure

(Kahnawake – 14 Seskéha/August 2025)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier & Champlain Bridges Incorporated that maintenance and repair work will require a ramp and lane closure tonight, Thursday, August 14<sup>th</sup>, from **10pm to 5am**.

The R-138 West down ramp (direction Chateauguay) will be closed (see map below), along with the right lane on the R-132 East down ramp (direction La Prairie/A-30) to repair and replace the crash attenuator at the R-138/R-132 split, which was damaged on Tuesday.

Please drive with caution, slow down when entering construction zones, and respect the Move-Over Law when emergency lights are flashing.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression.
