

Welcome Message to Parents

On behalf of the **Mohawk Council of Kahnawà:ke Daily Transportation**, we would like to extend a warm welcome to all families as we prepare for the 2025–2026 school year.

We know how important it is for parents to have clear and easy-to-find information about their child's transportation. That's why, based on your feedback, we've made some changes to this year's school bus schedule. Instead of listing everything by bus number, we've organized it **by school**—making it quicker and easier for you to find what you need. This new format includes full route details, departure and return times, and all stops—ensuring you have everything you need to plan your mornings and afternoons with confidence.

We thank you for your continued trust and support and wish all students a safe and successful school year!
