The Kahnawà:ke Search and Rescue Operation took place in Ganienkeh during the first week of August. As an active team member, the team was successful in helping our sister community on locating a 14 year old missing person.

I participated in the Trauma Informed Workshop all week, was present during the community protest showing support for our local Peacekeepers.

Participated in Peacekeepers Services Board Meetings throughout the month of August, in working towards better management and administration of the Peacekeepers.

During the housing reconciliation meeting we provided moral support to existing housing clients and also provided clear communication opportunities.
