Portfolio Updates for the Month:

December 2025

For the month of December, I attended the followings that are listed. The meeting with the Golden age members went well.

During the Kahnawà:ke Collective Impact meeting, what was discussed is the upcoming seed conferences in the spring.

I attended and helped with the Chiefs breakfast; I helped by providing bacon. It was to show appreciation to our staff.

I attended the Turtle Bay Elders Lodge Holiday Visit, I received feedback that the Elders really enjoyed the time we spent with them for the Holidays, I also received feedback that they enjoyed all the dancing and singing I performed.

Lastly, I helped hand out turkeys to the community.
