Ratitsénhaienhs in two-day training session

(Kahnawake – 25 Enniskó:wa/March 2026)

The Mohawk Council of Kahnawà:ke (MCK) wishes to inform the community that the Ratitsénhaienhs are participating in a “Communityship” Team-Building Workshop on Wednesday, March 25 and Thursday, March 26, 2026, at the Château Vaudreuil. The workshop was booked in December 2025 and has been in development for several months as part of ongoing efforts to strengthen Council’s internal teamwork and governance practices.

All eleven (11) Ratitsénhaienhs are attending a two-day training session designed specifically for political and administrative councils. The workshop focuses on strengthening team communication, enhancing collaborative approaches, and building a strong, cohesive working environment.

All business will be conducted remotely, and prior commitments will be honored. Ratitsénhaienhs are scheduled to return to the community on Thursday, March 26, 2026.
