BOARD RESOLUTION

Resolution No:	2026-005
Date:	March 25 th , 2026
Title:	Authorization of Permit Amendment for One (1) Year

Background:

The current ABC Permits were renewed on July 31, 2024, by the former ABC Board and were twice given extensions, once by the Mohawk Council of Kahnawà:ke until October 31st, 2025, and by the newly elected Board until February 28th, 2026. However, given the expiry date of the second extension and given the challenges and time constraints with regards to inspections, missing filing/documentation, and the outdated nature of the Kahnawake Communal Law on Alcoholic Beverages (“the Law”), the Board has chosen to amend all issued permits such that the expiration date of the permits is extended to March 25th, 2027. This time will allow for the Board to focus on updating the Law and Regulations and ensure proper enforcement and compliance mechanisms.

All valid Permits, those being the permits that were renewed in 2024 by the previous Board, are as follows:

- a) Restaurant
- b) Bar
- c) Retail
- d) Grocery
- e) Social Organization
- f) Wholesale
- g) Manufacture

Community members wishing to obtain an Occasional permit will be required to re-apply.

Resolution:

Now therefore be it resolved that:

In view of the absence of a functioning Board since the dissolution of the previous Board.

In view of the fact that the current Board does not have sufficient time or resources to review in detail the renewal of existing permits.

In view of the urgency of situation.

The Board hereby resolves as follows :

1. Pursuant to Section 77 of the Law the expiration date on all issued permits is hereby amended to read March 25th, 2027.
2. All permit holders must continue to respect the terms of their permit as well as any and all applicable provisions of the Law and;
3. The Board reserves its right at any time to review the situation of any permit holder and cancel any permit which does not respect the requirements of the permit and of the Law.

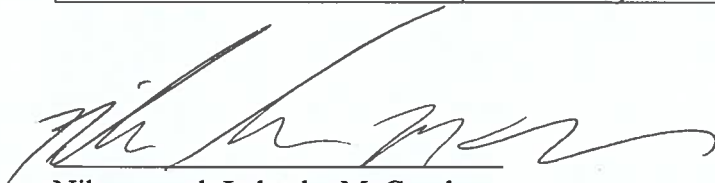

Certification of Resolution:

This resolution was duly adopted by the ABC Board at the meeting held on March 25th, 2026.
