ABC Board announces Payment Deadline Extension

For Immediate Release

(Kahnawà:ke, 27 Onerahtókha/April 2026)

The Kahnawà:ke Alcoholic Beverages Control (ABC) Board wishes to inform the community that it was decided, via Board Resolution, to extend the payment deadline for ABC permits to July 31, 2026.

The current ABC Permits were renewed on July 31, 2024, by the former ABC Board and were given three extensions. However, the latest press release regarding permit extensions issues a payment deadline for May 1, 2026. Given the challenges and time constraints with regards to missing filing/documentation, the Board has chosen to extend the payment deadline.

This time will allow the Board to focus on updating ABC permit applications and account information to ensure enforcement and compliance with the Kahnawà:ke Communal Law on Alcoholic Beverages.
