PUBLIC SERVICE ANNOUNCEMENT

Additional EGD pilot project report now available for community review

(Kahnawake – 22 Onerahtohkó:wa/May 2026)

The Mohawk Council of Kahnawà:ke (MCK) Gaming Working Group (GWG) wishes to inform the community that, following the public release of three documents related to the proposed expansion of Electronic Gaming Devices (EGDs), an additional document is now available for review.

The [EGD Pilot Project Report](#) summarizes the regulatory, social, and public safety impacts of electronic gaming devices in Kahnawà:ke since their introduction in 2018.

This report is being shared in addition to the previously released public documents:

- [3-Year Summary of 9003 – FY2024–2026](#)
- [GWG Mandate](#)
- [Kahnawà:ke Gaming Market Assessment](#)

The documents are intended to support transparency and help community members better understand the context and considerations within the current engagement process.

Interested community members can also stop by MCK reception to pick up and review available information packages. Packages are prepared upon request by contacting Gregory Robertson-Ryan at 450-632-7500 ext. 68240.

Throughout the engagement campaign, community members are invited to [review information](#), ask questions, and share their perspectives through the available engagement opportunities. Feedback gathered during this process will be reviewed by the GWG and used to help inform recommendations to the Council of Chiefs regarding potential EGD expansion and related priorities. Community members can provide written feedback during the engagement period at feedback@mck.ca.
