## Kahnawà:ke housing needs survey results now available

(Kahnawake – 15 Ohiarí:ha/June 2026)

The Housing Unit of the Mohawk Council of Kahnawà:ke (MCK) wishes to inform the community that the results from the Kahnawà:ke Housing Needs Technical Survey have been completed and are now available to the public.

The survey, conducted by PlanIt Consulting and Communications, began in Fall 2025 and saw participation from 367 community members. The data collected through these responses has been carefully analyzed, compiled, and summarized in a final report titled [Kahnawà:ke Community Housing Survey: Needs and Challenges](#).

This report has provided the Housing Unit with a clearer understanding of the housing needs and challenges faced by Kahnawakerón:non. The findings will help inform the development and enhancement of housing programs and services offered by MCK.

Community members are encouraged to review the report to learn more about the current housing landscape and the priorities identified through this initiative. Please [click the link](#) to view the full report.
