Registration for Inflation Benefit coming to a close

(Kahnawake – 14 Ohiarikó:wa/July 2026) The Mohawk Council of Kahnawà:ke (MCK) is reminding eligible community members that Monday, August 3, 2026, is the deadline to register with the Office of the Kahnawà:ke Kanien'kehá:ka Registry (OKKR) in order to retroactively receive the May 2026, \$500 Inflation Benefit. Community members who have not yet received this benefit are encouraged to ensure their information is up to date with the OKKR before the August 3rd deadline.

Please note, this payment is the same Inflation Benefit that was recently distributed and will only be issued to eligible individuals who have not yet received it.

The cheques are anticipated to be delivered in late August for those who meet the eligibility requirements and have updated their information by the deadline. This will mark the final disbursement under this phase of the Inflation Benefit program.

The MCK encourages all eligible residents to act promptly to avoid delays or missed payments. For more information, please contact the OKKR at 450-638-0500.
