MCK Donations Policy updated

(Kahnawake – 24 Seskéha/August 2026)

The Mohawk Council of Kahnawà:ke (MCK) wishes to inform the community that its updated Donations Policy and revised Donation Application Form are now available on www.kahnawake.com.

The updated Policy and application form provide guidance and support to the Finance, Administration & Operations (FAO) Committee in reviewing and making decisions regarding donation requests. Both documents are intended to promote fair and consistent decision-making and to ensure that requests are assessed using clear criteria.

Community members are reminded that the Donations Policy does not create an entitlement, guarantee, or automatic approval of funding. Each request will be evaluated based on demonstrated need, potential community impact, and the availability of resources at the time of review.

The updated Policy and application form can be accessed at [MCK Donations Policy](#) and [MCK Donation Application Form](#), or by visiting Kahnawake.com.

The MCK encourages individuals, groups, and organizations seeking financial support through the donations process to review the updated policy prior to submitting an application.
