01

HOW THE SIREN HELPS

ADDS ANOTHER LAYER TO EVACUATION PLANNING.

- Alerts people outdoors and in places where internet messages may not be received.
- Builds awareness when time matters.
- Helps people prepare to move quickly.

02

WHAT TO DO WHEN YOU HEAR IT

STOP. GATHER. PREPARE TO LEAVE.

- Stop what you are doing.
- Gather family and pets.
- Prepare to leave immediately.
- Use your evacuation route.
- Do not delay for non-essential belongings.

03

BE READY BEFOREHAND

KNOW YOUR EVACUATION ROUTE BEFORE RISK IS HIGH.

- Know primary and alternate evacuation routes.
- Keep vehicles ready and fueled. Prepare a small emergency bag.
- Include medication, documents, water, food, flashlight, charger and pet supplies.
- Go to instructed meeting place.
