MCK announces Cheyenne Delaronde as Director of Human Resources

For Immediate Release

(Kahnawake – 19 Kenténha/October 2026) The Mohawk Council of Kahnawà:ke (MCK) is pleased to announce that Cheyenne Delaronde has been chosen as the successful candidate for the Director of Human Resources position, effective October 19, 2026.

Ms. Delaronde has served as Interim Director of Human Resources since July 2026. During that time, she has provided leadership and oversight to the Human Resources Unit while supporting ongoing operations, organizational priorities, and employee services.

Ms. Delaronde brings more than 13 years of experience with the MCK, having served in progressively responsible roles within the organization.

She joined the MCK in July 2013 as Employee Relations Officer, before advancing to Employee Relations and Benefits Manager, General Manager of Human Resources, and most recently Interim Director of Human Resources.

She holds a Human Resources Management Certificate from McGill University and has built her career through a series of progressive Human Resources leadership roles at the MCK. Throughout her tenure, she has demonstrated a strong commitment to supporting employees, fostering positive workplace relationships, and contributing to the continued growth and effectiveness of the organization.

“Cheyenne's selection reflects the leadership, professionalism, and dedication she has demonstrated throughout her years of service with the organization,” said Interim Executive Administrative Officer Donna McCarthy. “Her extensive knowledge of the MCK, combined with her experience in human resources and employee relations, will continue to strengthen the organization and support our employees.”

The MCK congratulates Ms. Delaronde on her selection and looks forward to her continued leadership and service to the organization and community.
