Housing Unit announces start of sixplex construction project

(Kahnawake – 27 Kenténha/October 2026)

The Housing Unit of the Mohawk Council of Kahnawà:ke (MCK) wishes to inform the community that construction of a new sixplex housing project is scheduled to begin on **Wednesday, October 28, 2026**.

Initial work will consist of **lot clearing and excavation activities** to prepare the site for construction. Residents in the New Development area can expect increased construction-related traffic, equipment operation, and activity in the area as work gets underway.

The Housing Unit is working closely with the contractor, local partners, and relevant departments to ensure that all required safety, environmental, and operational measures are in place throughout the project. Excavation activities will be monitored, and all materials will be managed in accordance with applicable requirements and regulations.

A detailed construction schedule is currently being finalized by the contractor and will be shared with the community once available.

The Housing Unit appreciates the community's patience and cooperation as this project moves forward. The new sixplex is part of ongoing efforts to help address housing needs within Kahnawà:ke.

Further updates will be provided as the project progresses.

For additional information, community members may contact the MCK Housing Unit at 450-638-2672.
