FOREWORD FROM THE EDITOR

We are pleased to announce the selections of the 2026 ISC Child and Family Services Renovation Program have concluded. We've selected 26 applicants out of 74, of the highest priority, regarding family dwellings that needed repairs/renovations done to the house. Each selected applicant will be eligible to a \$40,000.00 grant, with an additional grant supplement issued for overcrowding within the occupied dwelling(if eligible). \$1,040,000 worth of renovations will be completed across 26 homes. Additionally, 10 overcrowding supplements were granted to assist families in the creation of new bedrooms. We appreciate all the collaboration done amongst the community members and contractors to continue the success of this program.

SINGLE BEDROOM SIXPLEX TO BE BUILT

(FRONT)

(BACK)

Once completed, the new 6-Plex will provide six modern homes that will help expand local housing opportunities for community members. Beyond the addition of new housing units, the project supports the community's long-term vision of increasing housing availability. Ground floor units will be fully accessible.

The Housing Unit looks forward to sharing additional milestones and construction progress as this important project continues to take shape.

The current rental waitlist consists of **40** community members. Recent selections will allow for 5 new units to be occupied before the new year, along with 2 transfers.

FUTURE PROJECTS

The Housing Unit is furthering its construction projects with new houses and apartment style buildings.

The last 1-bedroom units built were over 10 years ago, in 2015.

MCK OPEN HOUSE - HOUSING TO ATTEND

**THE MCK OPEN HOUSE WILL TAKE PLACE: OCTOBER 21, 2026
AT THE KNIGHTS OF COLUMBUS
FROM 11AM-6PM**

The Housing Unit will have a booth set-up at the MCK Open House to provide program information, answer any Housing-Questions, and provide other Housing related resources to the community. We're excited for the event and to reach out to our community.

NEW HOUSING MANUALS

The Housing Unit is pleased to announce the launch of our new Homeowner Maintenance Manuals. These comprehensive guides provide homeowners with practical information on how to properly maintain their homes. The manuals highlight important routine maintenance tasks that are often overlooked, helping homeowners identify and address potential issues before they become more serious and costly to repair.

Manuals can be found at the Housing Unit Office - KOC Building 1st Floor.
