PUBLIC SERVICE ANNOUNCEMENT

Suzanne River Restoration Project construction works to resume November 17

(Kahnawake – 16 Kentenhkó:wa/November 2026)

The Kahnawà:ke Environment Protection Office (KEPO) will supervise work to remove excess material along the Suzanne River Restoration Project work area beginning tomorrow, November 17th.

The material includes some historical demolition waste (brick, concrete, and asphalt). The material will be relocated and stored in a designated space along Seaway Road and removed to licensed disposal facilities outside Kahnawà:ke by December 11, 2026. KEPO staff will be on site to supervise the work.

There will be minor disruptions on Seaway Road during this time to accommodate construction vehicle traffic, but the road will remain open.

These works are part of KEPO's "Entewahnekahserón:ni': We are Rejuvenating the Water Project" that is funded by Fisheries and Oceans Canada through the Aquatic Ecosystem Restoration Fund and Indigenous Services Canada.

Please call KEPO at **450-635-0600** if you have any questions, comments, or concerns.
